WE WISH YOU
Merry Christmas
& HAPPY NEW YEAR

Our team has been hard at work brainstorming new ideas to enhance our guests' experiences, and we are excited to make them a reality in the coming months.

We will be visiting the National Weather Service and Journey Museum this month for the first time and will have special visitors that include Bobby Holman (harmonica player), Pastor Mercer who will be sharing the Christmas Story, and we will be enjoying a visit from a Cub Scout troop! We love visitors!

We will be assembling a care package to send to a small group of deployed men and women from Ellsworth who will be away from their families for the holidays. If you have items you would like us to include, please drop them off by December 13.

Thank you again for your unwavering support. It is because of your generosity that we are able to continue serving our community and making a positive impact in the lives of so many people.
